Hi Nicole -

I won't be at this meeting I'm leaving at 2:30 for a doctors appt.

Village at Institute - Town water and town sewer - BoH no comments at this time.

82 Potter Hill - If this is for the 'bread baking' the septic system needs to be upgraded as per plans approved in Health Dept. He will also need a food permit application and BoH will inspect kitchen on yearly basis.

That appears to be it

Nancy
